

Corporate

Set up to support brokers of all sizes to submit fiercely competitive tenders for high volume and multi-site corporate contracts.

Tired of slow or non-existent SLA'S ? We offer a dedicated account managed service to all of our brokers, providing full tenders from all suppliers that we work within 5 days , or even 1 day quick quotes from a selection of suppliers helping your brokerage to compete and win business in this lucrative marketplace.

The Power Behind Your Business

Commercial Power's position as an independent UK intermediary that does not directly sell to businesses, means your customers are yours for life.

Why use Commercial Power's corporate team?

- Uncapped commissions
- Account managed service priding itself with quick/ realistic responses
- Comparison reports (White labelled to your brokerage)
- Ability to beat a suppliers direct renewal
- Half hourly contracts
- Larger gas contracts with AQ's greater than 300,000 kwh
- P272 Solutions (Migrated/Non Migrated meters)
- Group contracts including ability to co-terminate end dates for contracts
- Daily market updates / Weekly intelligence reports
- Siteworks or new meter requirements

Suppliers

Commercial Power grants you access to a wider range of suppliers operating within the corporate space. Our account managers pride themselves on not just offering the best prices but also the service required to support you to close business quick and efficiently.

Quotations

Your dedicated account manager will have no commitments to any supplier, or individual targets to meet. They will also support you to present and explain all offerings, as often suppliers price in different ways such as:

- Pass through contracts
- RO, FIT & CfD
- Fully flexible or hybrid contracts
- Take or pay clauses

Re-Power your brokerage by speaking to our corporate broker team now.

We'd love to speak with you and show why our service is right to support your growth.
